

Harvey Reid's Partial Capo Discography

Here is my own partial capo recording output, sorted by date. I started recording with partial capos in 1982, and used them on 9 of 16 tracks on my first LP, *Nothin' but Guitar*. Asterisk (*) means a re-issue of an older track, a number 1-2-3 means a re-recording, (RM) means "remastered." The date is the year it was released. A + sign in config. means a full capo was added. A minus (-) sign in tuning means tuned below standard. A slash (/) means part of a medley.
